Ms. Yvette Aguilar
Assistant City Attorney
City of Corpus Christi

OR2010-10431

Dear Ms. Aguilar:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 391857.

The Corpus Christi Police Department (the "department") received a request for information relating to the death of a named individual. You state that some of the requested information has been released. You claim that the rest of the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the information you submitted.

Section 552.101 of Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information that other statutes make confidential. Chapter 772 of the Health and Safety Code authorizes the development of local emergency communication districts. Sections 772.118, 772.218, and 772.318 of the Health and Safety Code are applicable to emergency 911 districts established in accordance with chapter 772. *See* Open Records Decision No. 649 (1996). These sections make the originating telephone numbers and addresses of 911 callers furnished by a service supplier confidential. *Id.* at 2. Section 772.118 applies to an emergency communication district for a county with a population of more than two million. Section 772.218 applies to an emergency communication district for a county with a population of more than 860,000.

Section 772.318 applies to an emergency communication district for a county with a population of more than 20,000.

You inform us that the City of Corpus Christi is part of an emergency communication district established under section 772.318. You have marked the information the department seeks to withhold under that section. You state that the marked information consists of the telephone number and address of a 911 caller and that the information was furnished by a 911 service provider. Based on your representations, we conclude that the department must withhold the marked information under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
